

PEDIATRIC DENTAL AND VISION BENEFITS

Bright Health offers pediatric dental and vision coverage for members who are under 19 years of age. Members can see any licensed dental provider.

Pediatric Dental

Service	Your Cost
Diagnostic and Preventive Services	No charge
Basic Services	50% after deductible
Major Services	50% after deductible
Medically Necessary Orthodontic Treatment	50% after deductible

Pediatric Vision

Service	Your Cost
Annual Routine Eye Exam	No charge
Eyeglasses for Children (1 pair per year)	No charge

The number and frequency of each of these services are limited. Please see your Certificate of Coverage for more details on the limitations and reimbursement levels. Please refer to the Schedule or Benefits for subsidy-eligible benefits, network requirements, and more details on limitations and reimbursement levels.
