

FIND YOUR NEAREST HOSPITAL OR URGENT CARE CENTER

We believe that healthcare should be easy to find and easy to use. That's why we've partnered with Arizona Care Network, giving you access to an extensive clinically integrated network in Arizona. It's one more way Bright Health is making it easier for you to stay healthy. Check this map to find the hospital or clinic nearest you.

Bright Health does not cover out-of-network care unless in the case of emergency, urgently needed services or out-of-area dialysis services are needed.
