

Accessing the Medicare Enrollment Dashboard (MED)

Later this year you will be able to access the MED through the Broker Portal with no additional username or password. While we are completing that process, you will be able to access the MED through the link below, or the [brighthouseppc.destinationrx.com](https://brighthouseppc.destinationrx.com/PlanCompare/2020/Professional/type1/Compare/Home) website. The first time you access the site it will be required that you set up a new password. You can do so by following these directions:

1. Click the link – <https://brighthouseppc.destinationrx.com/PlanCompare/2020/Professional/type1/Compare/Home>
2. On the home page click the 'forgot password' link
