The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call us at 1-800-922-7186. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at https://member.brighthealthplan.com/ or call 1-800-922-7186 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$7,500 Individual or \$15,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the deductible amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. 2 Primary Care Visits, Urgent Care and Generic Prescription Drugs are covered before the deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$7,500 Individual or \$15,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://member.brighthealthplan.com/ or call 1-800-922-7186 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider might</u> use an <u>out-of-network provider for some services</u> (such as lab work). Check with your <u>provider before</u> you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

## **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
