Important Questions	Answers	Why This Matters
What is the overall deductible?	\$0 Med, \$4,950 Rx Individual or \$0 Med, \$9,900 Rx Family	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Primary Care, Specialty Care, Tests, Imaging, some Prescription Drugs, Outpatient Facility Fees, Emergency, Urgent Care, Inpatient Facility Fees, Outpatient Mental Health, Inpatient Mental Health, Maternity Delivery, Rehabilitation, Habilitation, Skilled Nursing, and Pediatric Dental and Vision are covered before the deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$8,550 Individual or \$17,100 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See https://brighthealthplan.com/provider-finder/ifp or call 1-855-827-4448 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.
