The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call us at (844) 926-4524. For definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary/</u> or call (844) 926-4524 to request a copy.

| Important Questions | Answers | Why This Matters |
|---------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What is the overall <u>deductible</u> ? | \$7,200 – Individual or \$14,400 – Family | See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. Primary Care Visit to Treat an Injury or Illness, Preventive Care/Screening/Immunization, Urgent Care Centers or Facilities, Outpatient - Mental/Behavioral Health Services Office, Prenatal and Postnatal Care, Child - Routine Eye Exam, Child - Eye Glasses, Child - Dental Check-Up | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/.</u> |
| Are there other <u>deductibles</u> for specific services? | No | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$8,700 – Individual or \$17,400 – Family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | Premiums, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See <u>www.brighthealthcare.com/search</u> or call (844) 926-4524 for a list of <u>network</u> <u>providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to | No | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

About these Coverage Examples

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
