

**Schedule of Benefits  
Silver \$0 Medical Deductible  
(Who Pays What)  
From 01/01/2023 through 12/31/2023**

This Schedule of Benefits does not explain all benefits in detail. For a complete explanation of Your benefits, you should read Your entire Policy.

**THIS PLAN UTILIZES A PROVIDER NETWORK**

This plan uses a Provider Network to provide Covered Health Services to You, which means You will have less out-of-pocket expenses if You receive care from In-Network or Participating Providers.

You can review our provider network online at [brighthouse.com](http://brighthouse.com) or You can contact Bright HealthCare Member Services at (844) 926-4524 to locate a provider or request a paper copy of the provider directory.

**Deductible**

A Deductible is the amount that a Covered Person must pay before Bright HealthCare pays any benefits for Covered Health Services. The Deductible amount does not include Percentage Copayment, Copayment, or non-covered charges.

**Copayment**

Copayments are the charges stated as a set dollar amount that You are required to pay for certain Covered Health Services. Copayment amounts accumulate towards Your Out-of-Pocket Maximum. Copayment charges for the calendar year will not exceed 200 percent of the total annual premium cost.

**Percentage Copayment**

Percentage Copayment is the percentage of any Allowed Amount that You are required to pay for certain Covered Health Services. Percentage Copayment amounts accumulate towards Your Out-of-Pocket Maximum. Percentage Copayment charges will not exceed 50 percent of the total cost of services provided.

**Out-of-Pocket Maximum**

The Out-of-Pocket Maximum is the maximum amount of Deductible, Percentage Copayment, or Copayments You pay in a calendar year. All Deductible, Copayment and Percentage Copayment payments for In-Network Covered Health Services will apply to the Out-of-Pocket Maximum. Once the Out-of-Pocket Maximum has been met for a Covered Person, the Covered Person will have no further obligation to pay Deductible, Copayment or Percentage Copayment amounts for Covered Health Services received from a participating Bright HealthCare Provider for the remainder of the Calendar Year.

For policies with two or more people, each Covered Person's Individual Out-of-Pocket Maximum applies to the Family Out-of-Pocket Maximum. Once a Covered Person has met his or her Out-of-Pocket Maximum, the Covered Person will have no further obligation to pay charges for In-Network Covered Health Services for the remainder of the Calendar Year. Once two (2) or more people's combined Out-of-Pocket expenses reach the Family Out-of-Pocket Maximum, Covered Persons under the Family policy will have no further obligation to pay charges for In-Network Covered Health Services.

**Limitations/Exclusions**

Some limitations are listed in this Schedule of Benefits. Refer to Your policy for a more comprehensive listing and description of services or items that are limited or excluded from covered by the Plan.
