

IFP MEMBER ANNOUNCEMENT

FAQs

Bright Health Group is further focusing its business on delivering affordable healthcare to aging and underserved populations through its Fully Aligned Care Model. Bright HealthCare will no longer offer Individual and Family Plans after plan year 2022 and will also no longer offer Medicare Advantage products outside of California and Florida.

It is a priority for Bright HealthCare to continue to provide the best service and experience to the members, providers, brokers, and other partners in discontinued markets, and to ensure that all impacted members are able to move to new plans with no interruption in coverage.

Below are some important FAQs to assist you in making this transition for 2023.

Member-Specific Questions:

1. Can they make an exception for me?

Unfortunately, not. This does not change the care our members are currently receiving during this plan year.

2. When will my coverage end?

Coverage will end on December 31, 2022 for members enrolled in a Bright HealthCare Individual and Family Plan.

3. When can I enroll in new Individual and Family coverage for 2023?

The Health Insurance Marketplace 2023 open enrollment period runs from November 1 through December 15, 2022 to ensure a January 1, 2023 effective date. During this period, you can compare plans and select your new plan for the coming year.

4. How do I go about finding a new Individual and Family plan?

There are tools and resources at [Healthcare.gov](https://www.healthcare.gov) to assist you in choosing a new plan.

5. Is there a way for me to tell if my current providers are covered as I consider new plans?

The best way to determine this information is to ask your healthcare provider. If you prefer to research yourself, the tools on [Healthcare.gov](https://www.healthcare.gov) can help you find an alternate plan or direct you to local resources to help with your search.

6. How can I ensure that all of my information rolls over to the new plan?

Your new plan will help you transition your current care plans and prescriptions to your new benefit in 2023. You should call your new plan at the beginning of the year to make sure they have all of your relevant information.

7. Who can I call at Bright HealthCare for more information?

If you have questions or concerns and would like to contact Bright HealthCare directly, you can reach the member services team at the numbers below:

- Alabama, Arizona, Colorado, Florida, Illinois, Oklahoma, North Carolina, Nebraska, South Carolina, and Tennessee members should call 855-827-4448.
- California, Georgia, Texas, Virginia, and Utah members should call 844-926-4524.
