Nota para los miembros actuales: este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que todavía incluye los medicamentos que toma.

Cuando esta lista de medicamentos (formulario) se refiere a “nosotros”, “nos” o “nuestro”, significa Bright Health. Cuando se refiere a “plan” o “nuestro plan”, significa Bright Health.

Este documento incluye una lista de los medicamentos (formulario) de nuestro plan actualizada al 11/23/2020. Para ver un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

Por lo general, debe acudir a las farmacias de la red para utilizar el beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos o el coseguro pueden cambiar el 1.º de enero de 2020, y cada cierto tiempo durante el año.

¿Qué es el Formulario de Bright Health?

Un formulario es una lista de medicamentos cubiertos seleccionados por Bright Health en consulta con un equipo de proveedores de atención médica, que representa las terapias con medicamentos recetados que se cree son una parte necesaria de un programa de tratamiento de calidad. Por lo general, Bright Health cubrirá los medicamentos descritos en nuestro formulario siempre que el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red de Bright Health y se cumplan otras reglas del plan. Para obtener más información acerca de cómo surtir sus recetas, revise su Evidencia de cobertura.

¿Puede cambiar el Formulario (lista de medicamentos)?

Por lo general, si está tomando un medicamento de nuestro formulario 2020 que tenía cobertura a principios de año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2020, excepto cuando esté disponible un medicamento genérico menos costoso o cuando se divulgue información nueva adversa acerca de la seguridad o efectividad de un medicamento, o cuando el medicamento se retire del mercado. (Consulte las viñetas a continuación para obtener más información sobre los cambios que afectan a los miembros que toman actualmente el medicamento). Otros tipos de cambios en formulario, como la eliminación de un medicamento de nuestro formulario, no afectarán a los miembros que tomen actualmente el medicamento. Permanecerá disponible al mismo costo compartido para los miembros que lo tomen por el resto del año de cobertura. Incluimos debajo cambios a la lista de medicamentos que también afectarán a los miembros que actualmente estén tomando un medicamento:

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestro formulario es inseguro o el fabricante del medicamento lo retira del mercado, inmediatamente retiraremos el medicamento de nuestro formulario y notificaremos a los miembros que toman el medicamento.
- **Otros cambios.** Podemos hacer otros cambios que afecten a los miembros que toman actualmente un medicamento. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que actualmente está en el formulario, o agregar nuevas restricciones al medicamento de marca o trasladarlo a un nivel de costo compartido diferente. O podemos

hacer cambios con base en nuevos lineamientos clínicos. Si eliminamos medicamentos de nuestro formulario, o añadimos una autorización previa, límites en cuanto a cantidad y/o restricciones de terapia de pasos a un medicamento o trasladamos un medicamento a un nivel de costo compartido superior, debemos notificar a los miembros afectados acerca del cambio al menos 30 días antes de que el cambio entre en vigencia, o al momento en que el miembro solicite un resurtido del medicamento, en cuyo momento el miembro recibirá un suministro para 30 días del medicamento.

El formulario adjunto está vigente al 11/23/2020. Para obtener información actualizada sobre los medicamentos cubiertos por Bright Health, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada. En el caso de cambios en el formulario de medicamentos que no sean de mantenimiento, a mitad de año ya probados por los CMS, el formulario se actualizará y se publicará en nuestro sitio web.

¿Cómo utilizo el formulario?

Hay dos formas de buscar su medicamento en el formulario:

Afección médica

El formulario comienza en la página 1. Los medicamentos en este formulario están agrupados en categorías según el tipo de afecciones médicas que se utilizan para el tratamiento. Por ejemplo, los medicamentos utilizados para tratar una afección del corazón aparecen en la categoría “Cardiovascular”. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza a continuación. Luego busque en el nombre de la categoría de su medicamento.

Lista alfabética

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 97. El Índice proporciona una lista en orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se incluyen en el Índice. Consulte el Índice para buscar su medicamento. Al lado de su medicamento, verá el número de página donde puede encontrar la información de cobertura.

Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Bright Health cubre medicamentos de marca y medicamentos genéricos. Un medicamento genérico es aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA), ya que tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites de cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Bright Health requiere que usted [o su médico] obtenga una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de Bright Health antes de surtir sus recetas. Si no obtiene la aprobación, Bright Health podría no cubrir el medicamento.

- **Límites de cantidad:** en ciertos medicamentos, Bright Health limita la cantidad del medicamento que cubre Bright Health. Por ejemplo, Bright Health proporciona 60 tabletas de oxalato de escitalopram de 20 mg por receta. Esto puede ser adicional a un suministro estándar para un mes o tres meses.
- **Terapia de pasos:** en algunos casos, Bright Health requiere que usted pruebe primero ciertos medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su afección médica, Bright Health podría no cubrir el medicamento B a menos que primero intente usar el medicamento A. Si el medicamento A no funciona para usted, Bright Health Day cubrirá el medicamento B.

Para averiguar si su medicamento tiene requisitos o límites adicionales revise el formulario que comienza en la página 1. También puede obtener más información acerca de las restricciones que se aplican a medicamentos específicos cubiertos al visitar nuestro sitio web. Hemos publicado en línea documentos que explican nuestro proceso de autorización previa y las restricciones de terapia de pasos. Usted también puede solicitar que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

Puede solicitar a Bright Health que haga una excepción a estas restricciones o límites, o una lista de otros medicamentos similares que traten la misma afección médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de Bright Health?” en la página iv para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en el Formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios al Miembro y preguntar si su medicamento está cubierto.

Si se entera de que Bright Health no cubre su medicamento, usted tiene dos opciones:

- Puede solicitar a Servicios al Miembro una lista de medicamentos similares que estén cubiertos por Bright Health. Cuando reciba la lista, muéstrasela a su médico y pídale que le recete un medicamento similar que esté cubierto por Bright Health.
- Puede solicitar a Bright Health que haga una excepción y cubra el medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de Bright Health?

Puede solicitar a Bright Health que haga una excepción a nuestras reglas de cobertura. Existen varios tipos de excepciones que puede solicitarnos que hagamos.

- Puede pedirnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podría pedirnos que suministremos el medicamento a un nivel de costo compartido inferior.

- Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido inferior si este medicamento no está en el nivel de especialidad. Si se aprueba, esto bajaría la cantidad que usted paga por su medicamento.
- Puede solicitarnos que exoneremos las restricciones de cobertura o límites de su medicamento. Por ejemplo, en algunos medicamentos, Bright Health limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que exoneremos el límite y cubramos una cantidad mayor.

Por lo general, Bright Health solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de costo compartido inferior o las restricciones adicionales de uso podrían no ser tan efectivos para tratar su afección o podrían provocarle efectos médicos adversos.

Debe comunicarse con nosotros para pedirnos una decisión inicial de cobertura de una excepción de restricción al formulario o a la utilización. **Cuando solicite una excepción de restricción al formulario o a la utilización, debe presentar una declaración de su médico o profesional que receta que respalde su solicitud.** Por lo general, debemos tomar nuestra decisión dentro de las siguientes 72 horas después de recibir la declaración de respaldo del médico que receta. Puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que su salud podría dañarse gravemente si espera hasta por 72 horas para una decisión. Si se autoriza su solicitud acelerada, debemos proporcionarle una decisión a más tardar 24 horas después de haber recibido la declaración de respaldo del médico u otro profesional que receta.

¿Qué debo hacer antes de que pueda hablar con mi médico sobre un cambio en mis medicamentos o de solicitar una excepción?

Como miembro nuevo o continuado en nuestro plan, puede tomar medicamentos que no se encuentren en nuestra lista de medicamentos. O bien, usted puede estar tomando un medicamento que no está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, puede necesitar una autorización previa de nuestra parte antes de poder surtir su receta. Usted debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso correcto de acción para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en que es miembro de nuestro plan.

Por cada uno de sus medicamentos que no esté incluido en nuestro formulario, o si su capacidad de obtener sus medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta es para menos días, autorizaremos resurtidos para proporcionar un suministro máximo para hasta 30 días del medicamento. Después de su primer suministro para 30 días, no pagaremos estos medicamentos, incluso si usted ha sido un miembro del plan por menos de 90 días.

Si es un residente de un centro de atención a largo plazo (long-term care, LTC) y necesita un medicamento que no está en nuestro formulario, o si su capacidad para obtener sus medicamentos es limitada, pero ya pasó los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia para 31 días del medicamento, mientras solicita una excepción al formulario.

En miembros que están experimentando un cambio en el nivel de atención (ingreso en un centro o recibir el alta de un centro LTC), las revisiones y los resurtidos tempranos no se usarán para limitar el acceso apropiado y necesario a su beneficio de la Parte D, y dichas personas inscritas estarán autorizadas a acceder a resurtidos luego de la admisión o el alta.

El formulario a continuación proporciona información de cobertura sobre los medicamentos que cubre Bright Health. Si tiene dificultades para encontrar su medicamento en la lista, consulte el Índice, que comienza en la página 97.

La primera columna del cuadro muestra el nombre del medicamento. Los medicamentos con nombre de marca están en mayúsculas (por ej., SUPRAX) y los medicamentos genéricos están en minúsculas (por ej., *celecoxib*)

La información en la columna de Requisitos/Límites indica si Bright Health tiene algún requisito especial para la cobertura de su medicamento.

Los planes de Bright Health son planes HMO y PPO con un contrato con Medicare. El plan D-SNP de New York de Bright Health es un plan HMO con un contrato con Medicare y un Acuerdo de coordinación de beneficios con el Departamento de Salud del Estado de New York. Nuestros planes son emitidos a través de Bright Health Insurance Company o una de sus afiliadas.
