## **Bienvenido a Bright**

**Adjunto encontrará una lista de los medicamentos incluidos en nuestros Planes individuales y familiares de Bright HealthCare, del 1 de enero de 2022 al 31 de diciembre de 2022.**

A medida que revise, asegúrese de tener sus medicamentos a mano para que pueda confirmar que sus recetas están cubiertas, y comparar la dosis y los precios de los medicamentos que toma.

Tenga en cuenta que este documento incluye una lista de medicamentos *integral* (formulario) incluidos en nuestros Planes individuales y familiares. Para ver un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

Como miembro de Bright HealthCare, generalmente debe usar farmacias dentro de la red para surtir sus recetas. Los beneficios, el formulario, la red de farmacias o los copagos o el coseguro pueden cambiar el 1 de enero de, y cada cierto tiempo durante el año.

Atentamente,  
Su equipo de Bright HealthCare

## **Preguntas frecuentes:**

### **¿Qué es un formulario (lista de medicamentos)?**

Un formulario es una lista de medicamentos cubiertos seleccionados por Bright HealthCare en consulta con un equipo de proveedores de atención médica, que representa las terapias con medicamentos recetados que se cree son una parte necesaria de un programa de tratamiento de calidad. Por lo general, Bright HealthCare cubrirá los medicamentos incluidos en nuestro formulario siempre que el medicamento sea médica mente necesario y la receta se surta en una farmacia de la red de Bright HealthCare.

### **¿Puede cambiar el Formulario (lista de medicamentos)?**

Por lo general, si está tomando un medicamento de nuestro formulario 2022 que tenía cobertura a principios de año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2022, excepto cuando esté disponible un medicamento genérico menos costoso o cuando se divulgue información nueva adversa acerca de la seguridad o efectividad de un medicamento. Estos tipos de cambios pueden ocurrir sin previo aviso. Creemos que es importante que usted tenga acceso continuo durante el resto del año de cobertura a los medicamentos del formulario que estaban disponibles cuando eligió nuestro plan, excepto en los casos en los que puede ahorrar dinero adicional, o podemos garantizar su seguridad.

Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestro formulario es inseguro o el fabricante del medicamento lo retira del mercado, inmediatamente retiraremos el medicamento de nuestro formulario y notificaremos a los miembros que toman el medicamento. Para obtener información actualizada sobre los medicamentos cubiertos por Bright HealthCare, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada.

### **¿Cómo utilizo el formulario?**

Hay dos formas de buscar los medicamentos que toma en el formulario:

#### **1. Afección médica**

Los medicamentos en este formulario están agrupados en categorías según el tipo de afecciones médicas que se utilizan para el tratamiento. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se incluyen en la categoría "Cardiovascular". Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza a continuación. Luego busque en el nombre de la categoría de su medicamento.

#### **2. Lista alfabética**

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice al final del formulario. El Índice proporciona una lista en orden alfabético de todos los medicamentos

incluidos en este documento. Tanto los medicamentos de marca como los genéricos se incluyen en el Índice. Consulte el Índice para buscar su medicamento. Al lado de su medicamento, verá el número de página donde puede encontrar la información de cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

### **¿Qué son los medicamentos genéricos?**

Bright HealthCare cubre medicamentos de marca y medicamentos genéricos. Un medicamento genérico es aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA), ya que tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

### **¿Existe alguna restricción en mi cobertura?**

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites de cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Bright HealthCare requiere que usted [o su médico] obtenga una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de Bright HealthCare antes de surtir sus recetas. Si no obtiene la aprobación, Bright HealthCare podría no cubrir el medicamento.
- **Límites de cantidad:** en ciertos medicamentos, Bright HealthCare limita la cantidad del medicamento que cubrimos. Por ejemplo, Bright HealthCare proporciona 15 tabletas cada 25 días por receta para Zolpidem Tartrate 5 mg. Esto puede ser adicional a un suministro estándar para un mes o tres meses.
- **Terapia de pasos:** en algunos casos, Bright HealthCare requiere que usted pruebe primero ciertos medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su afección médica, Bright HealthCare podría no cubrir el medicamento B a menos que primero intente usar el medicamento A. Si el medicamento A no funciona para usted, Bright HealthCare cubrirá el medicamento B.

Para averiguar si su medicamento tiene requisitos o límites adicionales revise el formulario. También puede obtener más información acerca de las restricciones que se aplican a medicamentos específicos cubiertos si visita nuestro sitio web, [www.brighthealthcare.com](http://www.brighthealthcare.com). Hemos publicado en línea documentos que explican nuestro proceso de autorización previa y las restricciones de terapia de pasos. Usted también puede solicitar que le envíemos una copia.

Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

Puede solicitar a Bright HealthCare que haga una excepción a estas restricciones o límites o una lista de otros medicamentos similares que traten la misma afección médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de Bright HealthCare?”, para obtener información sobre cómo solicitar una excepción.

### **¿Qué sucede si mi medicamento no está en el Formulario?**

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios al Miembro y preguntar si su medicamento está cubierto.

Si se entera de que Bright HealthCare no cubre su medicamento, usted tiene dos opciones:

- Puede solicitar a Servicios al Miembro una lista de medicamentos similares que estén cubiertos por Bright HealthCare. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por Bright HealthCare.
- Puede solicitar a Bright HealthCare que haga una excepción y cubra el medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

### **¿Cómo solicito una excepción al formulario de Bright HealthCare?**

Puede solicitarnos que exoneremos las restricciones de cobertura o límites de su medicamento. Por ejemplo, en algunos medicamentos, Bright HealthCare limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que exoneremos el límite y cubramos una cantidad mayor.

Por lo general, Bright HealthCare solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, o las restricciones de utilización adicionales, podrían no ser tan efectivos para tratar su afección o podrían provocarle efectos médicos adversos.

Debe comunicarse con nosotros para pedirnos una decisión inicial de cobertura de una excepción de restricción de formulario, de nivel o de utilización. **Cuando solicite una excepción de restricción al formulario o a la utilización, debe presentar una declaración de su médico o profesional que respalte su solicitud.**

Por lo general, debemos tomar nuestra decisión dentro de las siguientes 72 horas después de recibirla declaración de respaldo del médico que receta. Puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que su salud podría dañarse gravemente si espera hasta por 72 horas para una decisión. Si se autoriza su solicitud acelerada, debemos proporcionarle una decisión más tardar 24 horas después de haber recibido una declaración de respaldo del médico u otro profesional que receta.

## **¿Qué debo hacer antes de que pueda hablar con mi médico sobre un cambio en mis medicamentos o de solicitar una excepción?**

Como miembro nuevo o continuado en nuestro plan, puede tomar medicamentos que no se

encuentren en nuestra lista de medicamentos. O bien, usted puede estar tomando un medicamento que no está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, puede necesitar una autorización previa de nuestra parte antes de poder surtir su receta. Usted debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma.

Si tiene preguntas sobre Bright HealthCare, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y en la contraportada.

### **Nuestro Formulario (lista de medicamentos)**

El formulario a continuación proporciona información de cobertura sobre los medicamentos cubiertos por nuestros planes Planes individuales y familiares Bright. Si tiene dificultades para encontrar su medicamento en la lista, consulte el Índice al final del formulario.

La primera columna del cuadro muestra el nombre del medicamento. Los medicamentos de marca están en mayúsculas y los medicamentos genéricos están en minúscula cursiva.

La segunda columna del gráfico, Nivel del medicamento, le indica en qué nivel se encuentra el medicamento. Los niveles de medicamentos son la forma en que dividimos los medicamentos recetados en diferentes niveles de costo. Cuánto pagará dependerá de su Planes individuales y familiares, sin embargo, esto es lo que le dice el nivel de medicamentos.

Nivel 1: Medicamentos preventivos sin costo compartido para el miembro según la Ley del Cuidado de Salud a Bajo Precio

Nivel 2: Medicamentos genéricos preferidos

Nivel 3: Medicamentos genéricos no preferidos; Medicamentos de marca preferidos

Nivel 4: Medicamentos genéricos no preferidos; Medicamentos de marca no preferidos

Nivel 5: Medicamentos especializados

Nivel 6: \$0 Medicamentos genéricos

Nota: La lista de medicamentos de \$0 no se aplica a todos los planes. Consulte su resumen de beneficios para determinar si su plan califica.

La información en la columna de Requisitos/límites indica si nuestros planes tienen algún requisito especial para la cobertura de su medicamento.
