Your fax cover sheet	Printed Authorization Request Form	Supporting Clinical Documents

Remember to provide the required information to ensure our members receive quality and timely care.

This includes, but not limited to, completing this form in its entirety and submitting with appropriate supporting clinical documentation (i.e. H&P, imaging reports, surgical reports, and other pertinent admission records).

After the fax is received by Bright Health, you will be contacted at the requesting phone number if there are any outstanding questions or concerns.

Confirmations for approved authorizations will be faxed to the requesting provider fax number.

Definition for Priority Level:

- **Standard request**: Bright Health must notify the member of its determination as expeditiously as the member's health condition requires, but no later than 14 calendar days after the date Bright Health receives the request.

- **Expedited request**: Member or any physician (regardless of whether the physician is affiliated with Bright Health), may request that Bright Health expedite the request when the member or his/her physician believes that waiting for a decision under the standard time frame could place the member's life, health, or ability to regain maximum function in serious jeopardy.

If you have any questions regarding this form and/or request, please contact:
