To meet requirements for an expedited (72-hour) review:

- The request must be for coverage of services you have not received yet. Claim appeals will not be reviewed within 72 hours of receipt.
- Waiting for a decision during a standard appeal review (up to 30 calendar days from receipt) could put your health or life in danger.

If you have not received the services you are appealing and feel you need an expedited (72-hour) review, please let us know. A plan physician will look at your medical records and decide if we should make a fast decision. If the physician decides that the requirements for a 72-hour appeal are not met, your appeal will be processed under the 30 calendar day timeframe. However, we will process your request as soon as possible.

If your physician calls us or writes to us to support your request for an expedited review, we will automatically process it under the 72-hour timeframe.

For more information about the appeals process:

If you have questions about how appeals are processed, please refer to your Evidence of Coverage. You can also visit our website at BrightHealthPlan.com/Medicare or call Member Services at (844) 202-4129, 8 a.m.-8 p.m. ET, 7 days a week Oct. 1-Mar. 31, Monday-Friday Apr. 1-Sept. 30, (TTY: 711).
