Enclosed you will find our summary of the health and drug services covered by Bright Advantage Choice (HMO), Bright Advantage (HMO), and Bright Advantage Plus (HMO) plans from January 1, 2020 to December 31, 2020, for Dodge, Douglas, and Sarpy counties.

Keep in mind, this is a *summary* of what's covered and what you would pay for those benefits and services. For a complete coverage list, including limitations and exclusions, please refer to our *Evidence of Coverage* ("EOC"). You can find an EOC online at www.brighthealthplan.com/medicare, or you can request a printed copy to be mailed to you by calling us at 833-412-6737, 8 am - 8 pm local time, 7 days a week Oct. 1-Mar. 31, Monday-Friday Apr. 1-Sept. 30, TTY: 711.

We designed our plans a little differently.

We believe that health insurance and healthcare work better together. So, that's why we built our health plans from the ground up, with carefully selected Care Partners like NEHN. Our partnership with NEHN means you benefit from a connected care system that puts your healthcare needs at the center. With a network of hand-picked doctors, working together on your behalf, you get to focus on living your best life.

This is healthcare that revolves around you.

When your health plan and your healthcare providers are working together, you're always at the center – but never caught in the middle. We're proud of our Medicare Advantage plans and we think you'll love them, too. But we also believe it's important that you enroll in the health plan that's right for you. So, take a look, and give us a call if you have any questions.

We look forward to helping you live your best life.

Some Frequently Asked Questions:

May I choose my providers?

Bright Health has carefully selected a network of doctors, hospitals, pharmacies, and other providers. **To keep your costs down, it's important that you receive care from an in-network provider**. In most cases, if you choose to get care outside of the plan's network, you will pay for the full cost of the service. However, if you need out-of-network emergency services, out-of-area urgently needed services or out-of-area dialysis services, then we've got you covered.

To find an in-network provider near you, visit our website at www.brighthealthplan.com/medicare or call Bright Health at 833-412-6737.

What is a prescription drug formulary?

A formulary is a list of drugs covered by a health plan. To make sure your drugs are included in the Bright Advantage Choice (HMO), Bright Advantage (HMO), and Bright Advantage Plus (HMO) formulary, you can search and download our formulary online at www.brighthealthplan.com/medicare. Or you can call Bright Health at 833-412-6737 to discuss your drugs. Please note that the formulary is subject to change, and you can always find the most up-to-date list of drugs on our website.

For more information, or if you have any questions, just give us a call.

An EPO is an exclusive provider organization plan that may be written on an HMO license in some states and on a Life and Health license in some states, including Colorado. Stage 3: Coverage Gap			
After your total drug costs (including what our plan has paid and what you have paid) reach $4,020, you will pay no more than 25% coinsurance for generic drugs or 25% coinsurance for brand name drugs, for any drug tier during the coverage gap.			
Stage 4: Catastrophic Coverage			
After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $6,350, you pay the greater of: • 5% coinsurance, or • $3.60 copay for generic (including brand drugs treated as generic) and a $8.95 copay for all other drugs.			

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (30-day supply) or long-term (90-day supply).

Long-term care facilities

If you reside in a long-term care facility, you pay the same copays and coinsurance for a 31-day supply as a 30-day supply at a retail pharmacy.

Extra Help

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at http://www.socialsecurity.gov/prescriptionhelp.

If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
