Option 1: Social Security Administration or Railroad Retirement Board (RRB) Deduction

The deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

By signing below, I authorize Bright HealthCare to initiate Social Security Administration or Railroad Retirement Board Deduction for my monthly premium. This authorization is to remain effective until I cancel this request, in writing, with Bright HealthCare Plan, Social Security, or the Railroad Retirement Board.
