# Welcome to Bright Health.

This booklet provides a list of Bright Advantage and Bright Advantage Plus and Bright Advantage and Bright Advantage Plus and Bright Advantage Choice and Bright Advantage Choice Plus network pharmacies. For a complete description of your prescription coverage, including how to fill your prescriptions, please review your Evidence of Coverage and the Bright Health Formulary.

## **Network Pharmacies**

We call the pharmacies on this list “network pharmacies” because we’ve made arrangements with these pharmacies to provide prescription drugs to our Plan members. In most cases, your prescriptions are covered under your Bright Health plan only if you get them filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any of our other network pharmacies.

## **Filling prescriptions outside the networks**

We will fill prescriptions at non-network pharmacies only under certain circumstances as described in your Evidence of Coverage. You can also get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not yet listed. This list is current as of 11/02/2018. For the most current list, please contact us. Our contact information appears on the front and back covers.

If you have any questions about any of the above, please call Bright Health. You can find our contact information on the first and last page of this directory.

## **How do you find a Bright Advantage and Bright Advantage Plus and Bright Advantage and Bright Advantage Plus and Bright Advantage Choice and Bright Advantage Choice Plus network pharmacy in your area?**

Pharmacies are listed in this directory by the type of pharmacy. Within each pharmacy type, pharmacies are listed by city and pharmacy name.

## **Mail-Order Pharmacies**

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting CVS Caremark Customer Care at 844-345-4161. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling CVS Caremark Customer Care at 844-345-4161 or TTY: 711.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact CVS Caremark Customer Care at 844-345-4161 or TTY: 711.

When you return home, simply submit your paper claim along with a completed Medicare Part D Prescription Claim Form (you can find one online at [BrightHealthPlan.com/Medicare](http://BrightHealthPlan.com/Medicare)) and your itemized receipt to the following address:

CVS/Caremark  
P.O. Box 52066

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Member Services (details on front and back cover pages) for more information on initial coverage determinations.
