For more recent information or other questions, please contact Bright Health at 833-665-5346 or for TTY users 711, 24 hours a day, 7 days a week or visit [BrightHealthPlan.com/Medicare](https://BrightHealthPlan.com/Medicare).

Our network has changed more than usual for 2020. An updated Pharmacy Directory is located on our website at [BrightHealthPlan.com/Medicare](https://BrightHealthPlan.com/Medicare). You may also call Member Services for updated provider information. We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.

The pharmacy directory may change at any time. You will receive notice when necessary. Other providers are available in our network. Most providers participate through our Care Partner, Centura Health.

# Welcome to Bright Health.

This booklet provides a list of Bright Health's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Bright Health's formulary.

## **Network Pharmacies**

We call the pharmacies on this list "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Bright Health only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/29/2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
