Section 1:

Introduction

This directory provides a list of Bright Advantage and Bright Advantage Plus Delta Dental Insurance Company (Delta Dental) network providers. To get detailed information about your *healthcare* coverage, please see your Evidence of Coverage.

Delta Dental Benefits

The network of providers listed in this directory have agreed to provide you, as a Bright Advantage or Bright Advantage Plus member, with your dental services. You may go to any in-network dentist listed in this directory.

Bright Health has an agreement with Delta Dental to offer you dental services. Delta Dental offers a wide range of dental care through a network of dentists who contract through Delta Dental Insurance Company. You can also find a list of in-network dental providers online at BrightHealthPlan.com/Medicare.

Get Started

As a Bright Health member, you may go to any in-network dentist listed in this directory. To make an appointment, simply call your chosen in-network dentist's office and let them know you're a Bright Health Medicare Advantage plan member with Delta Dental benefits.

If you want to change dentists, you can do so at any time. Simply choose a new dentist from this directory and call Delta Dental's customer service at (800) 546-9658, (TTY: 711), Monday-Friday 8am-5pm ET.

Make sure you are covered

If you want your dental care to be covered, you must get your dental care from an in-network Delta Dental dentist.

Network Providers

The in-network dental providers listed in this directory have agreed to provide you with your dental services. You may go to any of the in-network dental providers listed in this directory.

Out-of-Network Providers

In most cases, if you choose to get dental care from an out-of-network provider, you will pay for the full cost of the service. Neither Medicare, Delta Dental nor Bright Health will be responsible for the cost. If you have been going to an out-of-network provider, you will need to find an in-network provider in order for your dental costs to be covered. You can find a Delta Dental provider in this directory or online at BrightHealthPlan.com/Medicare.

Emergency Care

If you need emergency dental care, call your Delta Dental dentist or Delta Dental's customer service at (800) 546-9658 (TTY: 711) Monday-Friday 8am-5pm ET, Monday through Friday 8am to 6pm. Covered emergency care is limited to care needed to stabilize your condition and relieve your pain. If you get emergency dental care from a dentist who is not a Delta Dental network provider, your services will not be covered.
