Introduction

This directory provides a list of Bright Advantage and Bright Advantage Plus network of acupuncture providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage.

You can find a list of in-network acupuncture providers online at BrightHealthPlan.com/Medicare. As a Bright Health Medicare Advantage plan member, you may go to any of the network providers listed in this directory. To make an appointment, call your chosen in-network provider's office and let them know you're a member of Bright Health.

Keep in mind, in most cases, if you choose to get acupuncture services outside of the plan's network, you will pay for the full cost of the service. If you obtain routine acupuncture care from out-of-network providers, neither Medicare nor Bright Health will be responsible for the costs. Please refer to your Evidence of Coverage for more complete information regarding out-of-network acupuncture services.

If you have a medical emergency, get help as quickly as possible. Call **911** for help or go to the nearest emergency room or hospital.

If you need urgent care, call your doctor's office during the day to make sure you don't incur unnecessary expenses.
