Introduction

This directory provides a list of Bright Health Plan American Specialty Health acupuncture providers. To get detailed information about your *healthcare* coverage, please see your Evidence of Coverage.

You can find a list of in-network acupuncture providers online at BrightHealthPlan.com/Medicare. As a Bright Health Medicare Advantage plan member, you may go to any of the network providers listed in this directory for your acupuncture services. To make an appointment, call your chosen in-network provider's office and let them know you're a member of Bright Health.

Keep in mind, if you choose to get acupuncture services outside of the plan's network, you will pay for the full cost of the service. If you obtain routine care from out-of-network providers, neither Medicare, American Specialty Health, nor Bright Health will be responsible for the costs.

If you have a medical emergency, get help as quickly as possible. Call **911** for help or go to the nearest emergency room or hospital.

If you need urgent care, call your doctor's office during the day to make sure you don't incur unnecessary expenses

For more detailed information about your *healthcare* coverage, please see your Evidence of Coverage.
