Introduction

This directory provides a list of Bright Health Plan Liberty Dental network providers. To get detailed information about your *healthcare* coverage, please see your Evidence of Coverage.

You can find a list of in-network dentists online at BrightHealthPlan.com/Medicare. As a Bright Health Medicare Advantage plan member, you may go to any of the in-network dentists listed in this directory. Bright Health members can select any in-network provider as their Dental Home (Primary Care Dentist). No office assignment is necessary.

If you need emergency dental care, call your Liberty Dental dentist or Liberty Dental's Member Services at (877) 550-4437, Monday-Friday 8am-8pm EST. Select the option to speak with a Liberty Dental Consultant, who is on call and will assist you in receiving appropriate treatment.

Keep in mind, if you choose to get care outside of the plan's network, you will pay for the full cost of the service. If you obtain routine care from out-of-network providers, neither Medicare, Liberty Dental Plan, nor Bright Health will be responsible for the costs.

If you have a medical emergency, get help as quickly as possible. Call **911** for help or go to the nearest emergency room or hospital.

For more detailed information about your *healthcare* coverage, please see your Evidence of Coverage.
