

Risk Adjustment for ACO REACH

Live, Web-based Risk Adjustment Training

PCP Role in Cancer Care: Clinical Documentation & Coding Best Practices and the Impact to Patient Risk Scores

 Wednesday, May 3, 2023

 3:30 pm EDT / 2:30pm CDT / 12:30pm PDT

 Register in advance for this Zoom webinar:

https://brighthouse.zoom.us/webinar/register/WN_YDPTOOKvQZ-zaoYRzLZoXQ

After registering, you will receive a confirmation email containing information about joining the webinar.

This hour-long risk adjustment webinar will cover the role of the primary care provider in cancer care, clinical insights, documentation, and coding best practices and the impact to patient risk scores. The session will be co-hosted by A. Bartley Bryt, MD, MPH, Chief Medical Officer and Elise Depew, RHIA, CCS-P, CRC, CPMA, CPC, Senior Manager, Risk Adjustment Education.

Healthcare providers, coders, leadership, and administrative staff will all benefit from this information. This webinar will equip attendees with the information necessary to accurately report cancer diagnoses.

All attendees will have access to NeueHealth risk adjustment education & resources including:

- Webinar Recording & Slide Deck
- Cancer “Biteable” Video & Tip Sheet

We are offering 1.0 CEU credit for attendance.

For questions regarding the webinar or registration, please contact:
Colleen Zubeck, Manager, Market Success at
Czubeck@brighthousegroup.com

All attendees will be entered into a raffle to win a \$50 gift card.

We look forward to seeing you on May 3.
