

Recorded Training for New Prior Authorization Program for Medical Specialty Drugs

Bright HealthCare™ is partnering with Magellan Rx Management to implement a Prior Authorization process for certain specialty drugs under our medical benefit **effective October 1, 2022**.

This program will apply to members enrolled in Commercial/Exchange plans in the following states: GA, TX, UT, and VA.

We invite providers and staff to watch a recorded provider education webinar hosted by Magellan Rx Management to become familiar with the program. **The training can be viewed here:**
