

## **Biomarker Testing Coverage**

Bright HealthCare covers biomarker testing for Illinois members\* for the purposes of diagnosis, treatment, appropriate management or ongoing monitoring or a member's disease or condition when the test is supported by medical and scientific evidence.

## **DEFINITIONS**

- **Biomarker** means a characteristic that is objectively measured and evaluated as an indicator of normal biological processes, pathological processes, or pharmacological responses to a specific therapeutic intervention, including gene mutations or protein expression.
- **Biomarker Testing** means the analysis of a patient's tissue, blood, or fluid biospecimen for the presence of a biomarker. This may include single-analyte tests, multi-plex panel tests and partial or whole genome sequencing.

## **AUTHORIZATION PROCESS**

AIM Specialty Health conducts utilization management review of requests for biomarker testing for Bright Health Members.

To submit authorization request for biomarker testing, use AIM Specialty Health's <u>Provider Portal</u> or call AIM at (833) 305-1802, Monday-Friday 7am-7pm CT, excluding holidays.

## **EXCEPTION PROCESS**

Members subject to coverage restrictions for biomarker testing may be eligible for an exception.

- 1. An exception request for coverage of biomarker testing may be requested by the treating provider.
- 2. To request an exception to benefit coverage limitations, the provider should include the following additional information with the authorization request:
  - A letter of explanation from the referring provider outlining the specific needs of the member.
  - Relevant medical records.
  - Other materials in support of the request including, but not limited to, peerreviewed studies, clinical trial protocols, clinical evidence-based research, peer opinion, etc.
- 3. To submit the authorization request, through AIM Specialty Health's <u>Provider Portal</u> or call AIM at (833) 305-1802, Monday-Friday 7am-7pm CT, excluding holidays.
- 4. Additional questions may be directed to Bright HealthCare's Utilization Management team by contacting Provider Services at (866) 239-7191
