

## 2022 MA Prior Authorization Service Code List

Release Date: July 1, 2022

**Note:** If a service is not on this list, it is considered No Authorization Required. You must validate member's benefits to determine covered services.

**Note:** Any service performed out-of-network by a provider or a facility requires an authorization. If in-network options can be identified, an administrative denial will be issued.

**Note:** When services requiring only a network validation review are performed in a provider's office (Place of Service 11) by a Bright HealthCare contracted provider, no authorization is required for the claim to pay.

**Note:** The following Substance Use disorder services require Notification of Admission within 2-Business Day: Residential Treatment services (ASAM Level 3.1-3.5), Partial Hospitalization Program (PHP) (ASAM Level 2.5), Intensive Outpatient Program (IOP) (ASAM Level 2.1), and and 3.7 (Medically Monitored Intensive Inpatient).
